

50/50 Club

Friends of Thomas Russell Junior School will be running 50/50 club again this year. All funds raised will go to purchasing items for the children to enhance their playtime / golden time at school, our most recent purchase being four outdoor table tennis tables.

A brief explanation of how 50/50 works.

- * Each joining member pays £12 (£1 for each month of the year) for a lucky number.
- * This number will be allocated to you and will be your number for the year.
- * 50% of the money goes into friends fundraising and the other 50% goes into the prize pot.
- * A monthly draw takes place.
- * Your number will be in each monthly draw (even if you've previously won).
- * The prize amount is dependent on joining members, the more members the higher the prize pot. See possible amounts below.
- * Winners will receive a cheque payment.

If 50 members join at £12 each = £600, £300 to fundraising £300 to the prize pot which divided by 12 months would make a prize of £25 to win.

If 100 members join at £12 each = £1200, £600 to fundraising £600 to prize pot which divided by 12 months would make a prize of £50 to win.

Joining is simple please print off, fill out your details and return the form below to the school office, payment can be made on ParentPay.

Or if you are attending our Macmillan coffee morning we will be taking payments and have forms available.

Please feel free to encourage family members or friends to join our 50/50 club the more the merrier the bigger the prize!

To be in the first draw we will need payment by Friday 29th September.

Please return this form to the school office.
