Issue No. 24

Headteacher: Mrs S Sharpe

9th March 2018

We had a fabulous day in school on Wednesday celebrating World Maths Day by undertaking a range of maths-based learning throughout the morning: cooking, maths mysteries, P.E. using maths, competing online against classmates AND pupils in

other parts of the world. The afternoon was spent using maths skills to create fabulous pieces of art.

My favourite activity was going on the iPads because it tests your speed and precision while adding and subtracting.
Bonnie - Year 5

The activity I most enjoyed was cooking because I enjoy working as a team towards an achievement and that achievement was delicious granola bars! Tom B - Year

We have also enjoyed hearing that some of our eager parents have got involved in the competition - brilliant! Remember passwords and logins stay active until Sunday 18th March.

Sports kit

We would like to politely request that all kit for sports events and tournaments is washed before returning to school as soon as possible. Thank you for your help.

All Shook Up

We were treated to an absolutely fantastic performance of All Shook Up at JTHS yesterday. We watched with pride to see how many ex-TRJS pupils were performing and were delighted to see their confidence on stage singing, dancing and acting. Our choir performed fantastically too and there were many proud parents in the audience. We have two more performances to look forward to tonight.

Break a leg!

Easter Lunch Menu - Wednesday 28th March

All day breakfast - sausage (or vegetarian sausage), hash brown, scrambled egg, baked beans, corn on the cob. Jacket potatoes, cheese and beans. Salad bar. Fresh bread.

American sweet waffles and ice cream, yoghurt, fresh fruit

Best wishes, Mrs Sharpe
