

# Y5 → Y6 Holiday Activities

## Reading

- Have a go at the library's Summer Reading Challenge: [summerreadingchallenge.org.uk/](http://summerreadingchallenge.org.uk/).
- Read widely: stories, information texts, comics, maps, signs, letters/ emails.
- Have fun with books at [booktrust.org.uk/books-and-reading/have-some-fun/](http://booktrust.org.uk/books-and-reading/have-some-fun/). Learn how to draw your favourite book illustrations.
- Talk about what has been read and any clues you get about the character's motives, thoughts and feelings.
- Go to Audible Stories for free audiobooks online.

## Writing

- Investigate active and passive sentences.
- Try a Friday Family Challenge with Premier League Primary Stars: [plprimarystars.com/news/friday-family-challenge](http://plprimarystars.com/news/friday-family-challenge).
- Create a prequel or a sequel to a book or film.
- Collect information about a favourite topic and try writing a non-chronological report with all key features.
- Are you missing Miss Murfin's Bananagrams club? Play at home by going to [bananagrams.com/educational-resources](http://bananagrams.com/educational-resources).

## Other

- **PE:** Try to undertake an hour of physical activity every day. Vary the activity to develop skill and enjoyment. Be a Supermover! [bbc.co.uk/teach/supermovers](http://bbc.co.uk/teach/supermovers)
- **RE/PSHE:** Keep a diary noting down the range of feelings experienced on a daily basis. Try out a different Mindfulness Challenge Card every day.
- **Computing:** Remember when searching or using social media, to use technology safely, respectfully and recognise acceptable and unacceptable behaviour.

## Maths

- Log in to [mymaths.co.uk](http://mymaths.co.uk) and revise multiplication, division and fractions by completing the tasks set.
- Ensure you know all your times tables in the fastest time possible. Goon TTRockstars or use the five tests in the pack.
- Recap your Y5 learning by having a go at some of the free White Rose Workbooks for Y5 at [whiterosemaths.com/resources/primary-resources/parent-workbooks/](http://whiterosemaths.com/resources/primary-resources/parent-workbooks/). Choose a topic you would like more practice on.
- Keep your problem-solving brain whirring using the real world problems booklet in the pack.
- Get involved with the shopping - try to work to a given
