

Top of The Rocks Battle - Interim Summary

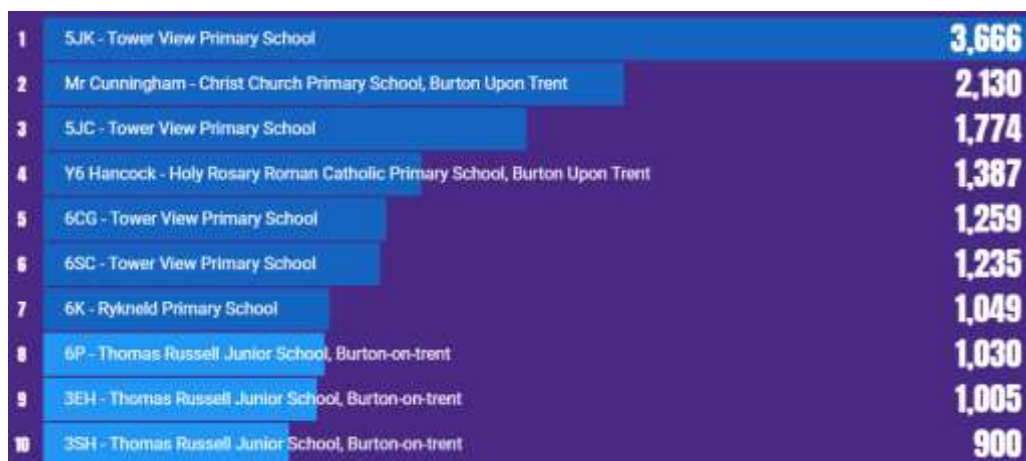

We are now five days into a 14-day battle against 5 other local primary schools: Tower View, Holy Rosary, Christ Church Primary, Burton Fields and Rykneld Primary. After our brilliant performance in the last Top of The Rocks Battle, we knew that the other schools would be battling hard to beat us this time.

As of 1.30pm today, five of our children are in the top 10, which is a brilliant performance by them. We are now very familiar with these names: Lo-Fi Ranks (aka Zachai K), King Sally (aka Abi P), Bluebell Riddle (aka Jessica G), Aston Reed (aka Ethan K) and Axle Keene (aka Isaac O) but they cannot win this battle on their own.

We are currently in second place behind Tower View Primary School who have an average score per person of 859 compared to TRJS average score of 780. Whilst not insurmountable, it is a sizeable gap and we will need to all work together to bring TRJS back into first place.

At the current time, three of our classes make it into the top 10 in terms of average score per child. Driven by the efforts of King Sally, 6P are in 8th place and led by Lo-Fi Ranks, 3EH make it into 9th place. 3SH make it into 10th place. Well done to Y3 who have both classes in the top 10!

There is still all to play for in the next week before the battle ends on Sunday 28th June. So far, we 178 TRJS children have played. If you are one of the children who haven't yet taken part, please log in and do your bit. Points are averaged across all children in the school and we need your points!

Well done to everyone who has taken part so far. Keep playing and let's work together to get back to the top spot.
