

Multiplying and Dividing by Ten

I can group objects in tens and count the groups.

Take a card. Write a sentence to match the card, make up a question and draw a picture to show it.

Example:

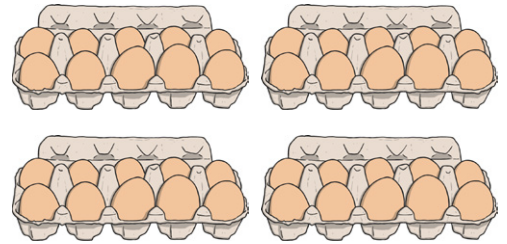

Total: 40

Sentence:
4 lots of 10 make 40

Sentence:
10 lots of 4 make 40

Question:
If I have 40 eggs and put 10 eggs in each box, how many boxes will I need?
