

Homophones and Near Homophones

reign

rain

piece

peace

Cut along the dotted lines on the first template to create the front page. Glue the first template over this template. Under each flap, write a sentence containing that homophone and draw a picture.

Tricky Homophones

plain

plane

groan

grown

Cut along the dotted lines on the first template to create the front page. Glue the first template over this template. Under each flap, write a sentence containing that homophone and draw a picture.

Tricky Homophones

great

grate

Cut along the dotted lines on the first template to create the front page. Glue the first template over this template. Under each flap, write a sentence containing that homophone and draw a picture. Fill in the last two flaps with a pair of your own homophone words.
