

Mountains of the UK

- Cut out the cards and arrange them into sets. In each set you should have: a country, its highest mountain, the height of the peak, the mountain range in which it is located. Use maps to help you.

Wales	1 344m (4409ft)	England	Cambrian Mountains
Ben Nevis	Mourne Mountains	Scafell Pike	1 085m (3559ft)
Grampian Mountains	850m (2788ft)	Snowdon	Northern Ireland
