Settlement Sites

Label where the settlers found the following resources:

- Food
- Water
- Wood

Which parts of the landscape provide shelter from weather or invading armies?

What materials have the settlers used to make their buildings? Where do you think these came from?

Settlement Sites

Label where the settlers found the resources they needed to survive.

Which parts of the landscape provide shelter from weather or invading armies?

What materials have the settlers used to make their buildings? Where do you think these came from?

Settlement Sites

Label the key features of this settlement site.

What materials have the settlers used to make their buildings? Where do you think these came from?
