You will need:

Dice Counters

Mini whiteboards and pens

Word cards

How to play

Throw the dice and move that number of squares.
If you land on a picture, take a card and read it aloud
but keep the card hidden. Ask everyone else to do
what the picture shows (see below).

Anyone who gets it right, gets a point.

If everyone gets it wrong, you get a point.

Count the phonemes

Spell the word

Write the word in a sentence

The first player to get 10 points WINS!
