**Activity 2:**

Read through Wednesday's lesson plan - page 1.

Read *Skateboarding: how to get started* and *The Science behind the Ollie* - page 2 and 3. What are the three pieces of information here that interested you the most?

Annotate these two articles to show any *Explanation Features* and *Instruction Features*.

Next, read *Articles 1 - 4* on pages 6-9.

• Choose one of the articles and answer the *Questions* about it. Challenge yourself to answer the questions about another of the articles - page 10.

Finally, decide about something you know about. It could be a game, a recipe, a hobby or a sport. Write an article with instructions or an explanation. Use *Explanation Features* or *Instruction Features* (page 4 and 5) to help you. Watch the following BBC clips to help you to remember the features of explanation and instructional writing:
