9.30 - 10.30am

Activity 1:

Today is 'Bastille Day' in France.

Read through the information about Bastille day either through:

1. <https://www.euroclub-schools.org/bastille-day>
2. On the 'Le Quatorze Juillet' PowerPoint or
3. The Bastille Day pdf. (La Fete Nationale).

11.00 - 12.00pm

How can you share with us what you have found out?

Can you write an article like 'La Fete Nationale'?

How about building a Bastille fortress? (The instructions are in French but the pictures help you understand).

Or can you re-tell the story in cartoon form? Look at the 'Bastille Day by Widget software' version for ideas.

Or choose another way and wow us!
