

## Thomas Russell Junior School – Sports Premium Spending 2021-2022

£16,000 + £10/pupil (246) = £18,460

<b>Priority</b>	<b>How this will be achieved</b>	<b>Approximate costings</b>	<b>Rationale</b>
Subject leadership CPD for staff	LV TLR	£4531	LV is a Level 5 qualified PE teacher and experienced subject leader. TRJS work with Caroline Holder to host and develop CPD courses that are attended by colleagues from a range of schools.
CPD with a focus on the mental health and wellbeing of pupils	DoodleBug interactive workshops for the children + staff meeting to develop growth mindset and mental wellbeing.	£470	Covid has had a significant impact upon our pupils. At TRJS we recognise this and want to ensure that children are supported as effectively as possible.
CPD with a focus on a new sport	Caroline Holder will deliver archery subject specific training to all teachers during an extended staff meeting slot.  Night Owls staff to be invited to attend.	£250  £500 to buy additional archery sets so that it can delivered during PE lessons.	DP has already had this training and really enjoyed it. She has utilised this training for extra curricular clubs and for non-curriculum learning days. A number of staff have asked for training on this so that it can be taught during PE lessons.  Night Owls will be able to use this an activity after school.
Outstanding PE lessons	Having the relevant equipment in good working order / have enough equipment available.		Ensuring that there is enough equipment and that children do not have to share, means that children are active for a bigger proportion of the lesson. Due to covid we have also invested in

	<p>New LTP resources ordered.</p> <p>PEplanning.org.uk subscription.</p>	<p>£165 for a 12 month subscription</p>	<p>more equipment to ensure that it can be kept separate for each year group so that lessons are impacted as little as possible.</p> <p>PEPlanning.org provides comprehensive schemes of work that staff are able to use with their classes. They cater for children of all abilities and those with disabilities. They can be adapted to suit each class. Ideal for the non-specialist.</p>
	<p>Refresh of PE equipment to ensure there is enough high quality equipment for all children in the lesson.</p>	<p>javelins £63 tennis balls £58.15 ball pumps £10.25 x3 needles £2 x3</p>	
Children to experience specialist coaching	<p>Zoe Edwards to teach tennis to each year group for 6 weeks. In addition Zoe will run 2x clubs per week for this 6 week period.</p>	<p>£1080 (Y3 x2 lessons and Y4 x2 lessons for 6 weeks + 2x 1hour tennis clubs.) AUTUMN</p> <p>£1080 (Y5 x2 lessons and Y6 x2 lessons for 6 weeks + 2x 1hour tennis clubs.) SPRING</p>	<p>Children will experience high quality, specialist teaching of a sport, in this case tennis. Staff will be able to use this opportunity as CPD to support their own teaching of tennis in the future.</p>
Competition	Dove Valley Subscription	£250	We attend a variety of competitions that cater

	JTHS Sports Partnership	£1000	for a range of different abilities. The Dove Valley competitions are against local schools. The JTHS competitions are organised and run by the high school that the majority of our children will attend. Attending competitions here helps the children to feel confident about the transition to the high school.
Active Playtimes	Updating and refreshing the adventure playground.	£1877.40	The children enjoy using the equipment and it encourages physical games.
Supporting children to walk / bike / scoot to school as a healthy alternative to driving in the class. Mental and physical well being	Provide scooter storage.	£294 x2	Parents will feel confident that scooters will be secure whilst at school. Scooters will be kept secure and less likely to be damaged whilst held in storage racks. We regularly have complaints from parents as well as the community about the number of cars / traffic at drop off and collection times. Encouraging the children to bike / scoot to school will reduce the number of cars at peak times. Biking / scooting to school will improve the mental and physical wellbeing of the children.
Introducing the children to new sports / reviewing the long term planning across school.	Dodgeballs  Badminton	£54 x5 sets  Badminton nets / bases that can be used indoors or outdoors. £62x8 (Based on 4	A class set of dodgeballs to offer high quality lessons. This is a sport that the children very much enjoy and has been asked for during pupil voice sessions.  Our planning website has high quality lesson plans for each group to cover badminton learning objectives. Badminton is also a sport

		chn/court) Badminton racket starter kits £74x4	that is taught at our feeder high schools, so this will give the children the basic skills to support their further development.
Updated storage	New storage boxes for PE equipment and playtime equipment  Skip to remove old / outdated / damaged equipment / storage  Supply to cover 3V so that the sheds can be sorted / organised.	£91.10  £300  £300 x2 days	Equipment will be organised to ensure that children and staff can access required equipment quickly and efficiently. All new storage will be clear boxes to ensure it is easy to see what is inside along with labels. Equipment can be monitored more effectively to ensure it is safe and good quality to be used in lessons across the year group as well as for extra curricular clubs.  The sheds are not up to our usual standards due to being used for storage during covid times. We are aware that rodents have damaged the sheds and the equipment inside. The sheds have been repaired.
Golden Time / Wellbeing equipment	Giant playground chalk Tennis kit Air flow balls small ball kit large ball kit juggling skills kit circus skills kit target throwing kit tennis balls	£3.90x10 £138 x2 small £ 28 large £27 £50 £63 £105 x2 £145 x2 £95x2 £58.15	Promote choosing physical activities during golden time / break times to ensure that all children have the opportunity to be active for 1hour / day.
