

Year 6 Whitemoor Lakes 2025

Day 2

We have survived day 2! Despite one or two children feeling unwell, Year 6 soldiered on and achieved amazing things today, fuelled by: food fit for kings and queens, fun activities and great teamwork.

Breakfast was a delicious full English including: cereal, yoghurt, sausages, bacon, hash browns, beans and toast. Who could ask for more? Lunch was burgers, wedges and salad; a tasty meal devoured by the hungry crew. Tea tonight was spaghetti, meat balls, cauliflower cheese and garlic bread, followed by a waffle. What a banquet!

Activities today were a variety of enjoyable challenges. Abseiling, Gladiator, Archery, Nightline and Circus Skills were among the highlights.

After tea tonight, we all enjoyed a good sing

with camp-fire hilarity, followed by free time with games in the hall accompanied by hot chocolate and biscuits. The children retired to their dorms with lights out at about 9.30pm. All is quiet on the WML front so far 😊 .

Tomorrow morning the guys will pack bags, get ready for the last few activities and tidy up their rooms (yes, even the lads!). It has been a joy to see so many children embrace new challenges, help each other out and push their limits to achieve their very BEST.

Tomorrow we are due to leave WML at 2pm so expect to be back in Gilmour Lane (the place we belong!) by about 2.15pm. Younger siblings can be collected from school at 2.10pm. Please leave the lane free for the coach to park and any help from parents getting the cases out of the coach would be much appreciated. A brilliant few days, Year 6. Well done everyone. Thank you to Mrs Vardy for leading the trip, Mrs Patrick for all her organising behind the scenes and Miss Murfin, Mrs Shorthouse and Mrs Vydelingum for being there throughout to support all the children. I think we all need a big sleep! 😊

Mr E and the Year 6 Team
