Headteacher: Mr J Emery

Friday 6 February

	w/b 02.03.26
Year 3	95.7%
Year 4	98.1%
Year 5	96.6%
Year 6	95.3%
TRJS Overall	96.5%

Overall, TRJS continue to have attendance well above the national. However, our target is 97.%, so let's see if we can hit this next week. Well done, Year 4 for achieving 98.1%!

HOT CHOCOLATE WITH MR EMERY

Congratulations to everyone who has received the **TRJS Weekly Values Award** today and will be sharing hot chocolate and biscuits with Mr Emery next week. Don't forget to be ready to tell us all about your hobbies and interests out of school. Oh, and jokes are always good!

Year 3	Alice S, Sophia C
Year 4	Amber K, Jacob A
Year 5	Nancy M, Maeve W
Year 6	Dylan C, Sophie Wo

KEEPING SAFE ONLINE

This is a useful guide for parents with children who may access Roblox.
<https://www.internetmatters.org/advice/apps-and-platforms/onlinegaming/roblox/>

The day is finally here! We are on our way to sunny Manchester on Friday 13 February. A reminder to all the parents that the children leave school on the coach at 11am and are due back at 11.15pm. Please ensure that all reply slips/medical information is returned to school by Monday 9 February at the latest. Thank you.

Active Journeys

Please see the flier below encouraging us all to take an active journey to school before half term.

Safer Internet Day

This year's Safer Internet Day theme is: **Smart tech, safe choices**
– **Exploring the safe and responsible use of AI.**

In our assemblies and PSHE lesson this week, we learnt:

- to identify a range of factors that can help me determine if a use of technology is safe and responsible, or a misuse.
- to apply this knowledge to identify uses of AI that are safe and responsible, or that are a misuse.
- how to respond if using AI makes me worried, upset or confused.
 - about some of the limitations of using AI chatbots.

Follow this link for more information: [Safer Internet Day 2026 - UK Safer Internet Centre](#)

Top Tips for parents and carers from the UK Safer Internet Centre:

AI technology is increasingly part of all our lives, so this Safer Internet Day we are starting a conversation about how to use it safely and responsibly. Use these top tips to help keep you and your loved ones safe online.

- **Enjoy going online together and talk regularly about your family's online lives**

The internet is amazing and can help us all to access information and entertainment. Spend time online with your child to understand how they are using technology and talk together about the good and the bad parts of being online. Talk about your own experiences and find other opportunities to get the conversation started, like stories in the news. Make sure your child knows they can talk to you about anything that they see or experience online.

- **Understand where AI technology is being used and the impact it can have**

From summaries on search engines, to voice assistants and photo editing tools, AI powered features are being added to many of the apps and devices we use day-to-day. Look out for information and warnings notifying you where AI technology is in use or where content has been created using AI. Help your child to recognise these too. Remember, AI can make some tasks simpler but may also collect data about you and your family, or share unreliable information, so consider how to use it safely and responsibly.

- **Recognise what safe and responsible use of technology looks like**

To use technology, including AI, safely and responsibly, it's important to reflect on the potential impact it can have on yourself and others. How does your use of technology make you feel? How can you use technology with kindness and respect for others? Does your use of technology benefit you or help you build skills? How might it affect you now, and in the future? Ask these questions of your own internet use, as well as your family's.

- **Stay informed with free resources**

Young people have told us about the incredible ways they're using AI, but also about their worries for what it means for the future. Issues such as the environmental impact of AI, what it means for job prospects, and the threat of deepfakes can seem scary but remember, you don't need to have all the answers. Stay informed using free resources like those produced for Safer Internet Day and talk to your child about their concerns about new technology – you can always work together to find more information.

- **Know where to go for help if something goes wrong**

Like any technology, using AI comes with risks. Some AI tools, like ChatGPT, have built-in reporting features where you can raise issues such as inappropriate or harmful content. Many social media platforms also allow you to report content you suspect has been created with AI. Additionally, AI generated content can break the law. If you see illegal images that show child sexual abuse (including AI generated images), you should report these to the IWF and on the platform where they are being shared. If someone creates an image of you or your child using AI these can also be reported on the platform where they are being shared, and AI generated nude images can be reported to Stop NCII (for images of adults) and Report Remove or Take It Down (for images of under 18s).

Amber K (4S) competed at Field House Equestrian at the weekend and qualified for both the Cricklands and Trailblazer championships on her pony Fudge Cake. Amber was the youngest competitor, and this was only her 3rd show! What a brave and talented young lady. Keep it up, Amber!

Eleanor L (6V) entertained the whole school with a wonderful rendition of Heart of Stone from the musical Six. It was a flawless performance which was very moving. This girl was born to be on stage in the West End! Thank you, Eleanor. If there are any other brave musicians/singers, then please pop and see Mr E and we will put you on the list for assembly.

Clubs

Please see below the booking details for the clubs for **NEXT** half term. Please note that we now use MCAS for some of the bookings; for others, parents are asked to book directly with the provider (such as Soccerstars and HotHouse Music). Where a booking is needed via MCAS, this will go live at 6pm this evening. Please bear with us, as this is a new system. Let's hope it works! Thank you.

Vacancy for Lunchtime Supervisor

We have a vacancy for a lunchtime supervisor. Would you like to spend an hour and half each day helping to supervise the lovely children at lunchtime? Please see the information on the school website under Our school > Vacancies. Please contact Mr Emery at school via the school email or phone. We would love to hear from anyone who is interested.

Spring Term: Dates for the Diary

Friday 13 February	Choir to Young Voices (Leave at 11am, return 11.15pm)
HALF TERM	Monday 16 - Friday 20 February
