

Set: Friday 9<sup>th</sup> October 2026

Have you completed your homework?

| Weekly checklist                                                                                                                                                                                                                                                                                                                                                                                                                                                 | ✓ |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|
| <b>Reading</b> 10 minutes a day.<br>Please read at least five times a week to an adult. Don't forget to ask them to sign your reading record. Reading records should be in school every day and will be handed in on a <b>Tuesday</b> morning.<br><b>We ask that reading records are in school every day as they have log in information which we need throughout the week.</b>                                                                                  |   |
| <b>Reading Plus</b><br>Complete x2 sessions at home.<br><b>**These can count as part of your 5 reads above. Record them in your reading record.</b>                                                                                                                                                                                                                                                                                                              |   |
| <b>Spellings</b><br>These are your spellings to practice. We will put a list each week in to reading records.<br>actual, bicycle, answer, circle, earth, enough, island, fruit, often, popular<br><br>These words are from the Y3/4 statutory spelling word list so there is no set pattern to learn.<br><br>We are now sending home the weekly spelling sheet. This is an optional way to practise if you prefer. You do not need to return it to your teacher. |   |
| <b>Times Tables</b><br>Children have written the times table that they are learning for next week in their reading record.                                                                                                                                                                                                                                                                                                                                       |   |

DT- On **Wednesday 14<sup>th</sup> October**, we will be making our healthy salads that we have designed. Please bring a named tupperware container into school so that children can bring them home and enjoy their tasty salads!

Harvest- We have practised our words for the harvest performance and sent home a copy of these for each child. Children will have access to the words during the performance so we are not expecting them to learn it off by heart but it would be helpful for them to familiarise themselves with the words and practise voice projection so that they feel confident on the day! 😊

3H- Miss Hurdman will be absent from school for a few days next week beginning on Tuesday due to a medical procedure. Mrs Akhtar will be teaching 3H Tuesday to Thursday. 3H are familiar with Mrs Akhtar as she has taught them for some of their handwriting lessons on a Wednesday morning so far this year. Please contact the office for any queries as Miss Hurdman will be unable to respond to emails during her absence.

Next week:

English: We will be continuing to write the story of Flood by writing the build-up, problem, resolution and ending.

**Key vocabulary: build-up, Problem, resolution, ending, writing, editing, improve, spellings, punctuation, adjectives**

Maths: We will be completing division by sharing and grouping. We will be focusing on the three times table and multiplying and dividing by 3.

**Key vocabulary: grouping involves dividing a set by placing a certain number of items in each group, whereas sharing involves dividing a set equally between a certain number of groups. Division, arrays, commutative, repeated addition, double, half, equal, unequal.**
